A recent article in a New York newspaper reported that
there were large colonies of people living under the city...
The paper was incorrect. What is living under the city
is not human.
C.H.U.D. is under the city.

They're not staying down there, anymore!

THE KILLER WHALE!

The killer whale, is one of the most intelligent creatures in the universe. Incredibly, he is the only animal other than man who kills for revenge.

He has one mate, and if she is harmed by man, he will hunt down that person with a relentless, terrible vengeance—across seas, across time, across all obstacles.
