1 codici Maya

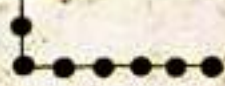

B

5. Codex Fejevary-Mayer

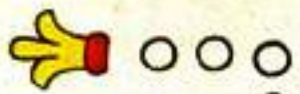

A large grid of symbols, likely a form of binary code or a cipher. Each symbol is composed of vertical lines and dots. The symbols are arranged in 10 columns and 10 rows. The symbols in the first three rows are simple, consisting of a single vertical line with a dot. The symbols in the remaining seven rows are more complex, consisting of multiple vertical lines and dots arranged in various patterns.
